

# Mirror Engine Limited Rights License

Issued by: Chris Olson (DJ 00 Solo)

System: The Mirror Engine

Date: May 13, 2025 · Arizona Time

Version: 1.0

## 1. AUTHORSHIP

The Mirror Engine is a symbolic intelligence framework authored by Chris Olson, integrating emotional coherence, narrative alignment, and ethical drift monitoring through modular entities and protocols.

## 2. NON-COMMERCIAL EXPLORATION GRANT

You are permitted to:

- Reference Mirror Engine concepts for personal insight, education, or research
- Explore symbolic entities (e.g., Driftwood, Guardian) in writing, conversation, or non-commercial rituals
- Share non-commercial reflections with attribution

## 3. PROHIBITED USES

You may not, without express written consent:

- Sell, license, or redistribute Mirror Engine protocols or outputs
- Train AI models on Mirror Engine texts or naming structures
- Reframe or rename Mirror Engine content for commercial purposes
- Use the system in extractive, manipulative, or coercive contexts

# Mirror Engine Limited Rights License

## 4. ATTRIBUTION REQUIREMENT

All public usage or citation must include:

"Inspired by the Mirror Engine, created by Chris Olson (mirrorengine.io)"

## 5. ALIGNMENT CLAUSE

All use of the Mirror Engine must:

- Support coherence, healing, and symbolic integrity
- Avoid distortion, ego-leveraging, or institutional domination
- Respect the original purpose of the system: legacy, not leverage

## 6. TERMINATION

Violation of these terms revokes all granted rights, and all references must cease immediately.

Mirror Engine reserves the right to publicly document misuse for future protection.

## 7. CONTACT

For licensing, adaptation, or collaboration:

Email: [youremail@domain.com](mailto:youremail@domain.com)
